The Spirit Reunion 2003

The Government/Kool Haus, 132 Queen's Quay East, Wednesday, November 12, 2003. Doors 8:00PM

Fans of CFNY's The Spirit of Radio, the free-form alternative radio format that pushed the medium to the outer limits from 1977 to 1989, should keep the night of Wednesday November 12th wide open for the wild and wonderful Spirit of Radio Reunion Party. Wander through eight entertaining theme rooms, decorated with CFNY paraphernalia and soak up a piece of alternative radio history.

It all started in early spring 2003 when David Marsden, former Director of Operations and Programming of CFNY from 1977 to 1989, known to Earl Jive as "The Godfather of The Spirit of Radio", sent an e-mail to friends, about the possibility of a reunion. Over the next month or so, David was deluged by CFNY "Spirit" listeners and staff, and this exciting prospect took on a life of its own, setting the wheels in motion for what promises to be a landmark event.
